So this is where it all begins...
My tsundere legend!
Mihama, huh? You got it.
One adult ticket to Mihama Academy!

Chapter 3
Some Kind of Blonde-Haired Nuisance

One Week Later
She's not coming, is she?
This new transfer student.

I must admit, it's been a rather drastic change in schedule without any contact.
I can't help but wonder where she is and what she's doing
She said she'd be here, but it's been a whole week now.
To make sure we start off on the right foot, we should all be here to greet her together!
But, it's not every day we get a new student!
ゴゴゴ
I THINK IM ABOUT TO RUN OUT OF PATIENCE FOR THIS NONSENSE.

What in the world is running through your mind...?
Matsu-shima Michiru...

Is that?
A pile of illegally dumped garbage?

IT'S A PERSON!

I-it's not like I transferred to this school for you guys or anything, got it!?
MATSU-SHIMA MICHIRU'S THE NAME!

What is...
Take Care, Michiru-chan!

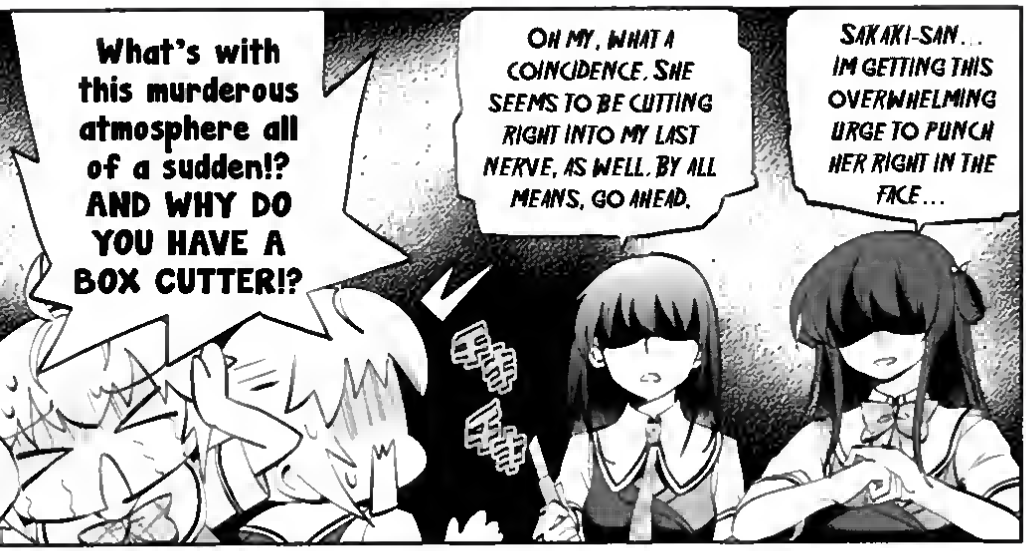
Allow me to regale you
all this?
with the *heroic tale* of my journey here!!

SHOCK
Shocked Michiru
So then I asked Miyakochan what's next to come, why my uniform was different than hers...
Middle class
And apparently, it turns out I got the wrong Mibama!
to help me out with the process of re-transferring schools,
Farewell PARTY
Bye Bye Bye
Uworth
The kids held a farewell party for me, and drew me a map of how to get here
And so, I set off on foot, with a vigorous bounce to my step!
Dreaming of a new town, a new school, and new random adventures, I gallantly stepped off the platform of Yoko hama station.
Yokohama Station
But when I told the taxi driver, "One adult ticket to Mihama Academy!"
Me
The nice taxi man
I guess I ended up at Mihama learning center instead
This is fun!
so fun!
After I spent a week more, the day came when I finally learned everyone's names.

You all may address me as "Michiru-sama", got it?
PU-REEZU CAA-RU MEE "MICHIRU-SAMA"...
And eventually, after endless strife and struggle, I, the Tsundere of Tsunderes,
finally arrived at the spot where you found me!

Note: Yeah, she does say this in English.



What's with this murderous atmosphere all of a sudden!? AND WHY DO YOU HAVE A BOX CUTTER!?
OH MY, WHAT A COINCIDENCE. SHE SEEMS TO BE CUTTING RIGHT INTO MY LAST NERVE, AS WELL. BY ALL MEANS, GO AHEAD.
SAKAKI-SAN... IM GETTING THIS OVERWHELMING URGE TO PUNCH HER RIGHT IN THE FACE...

What-kind-of-violent school is this~!?

C-calm down, you two! This is your first impression! Your all-important first impression!

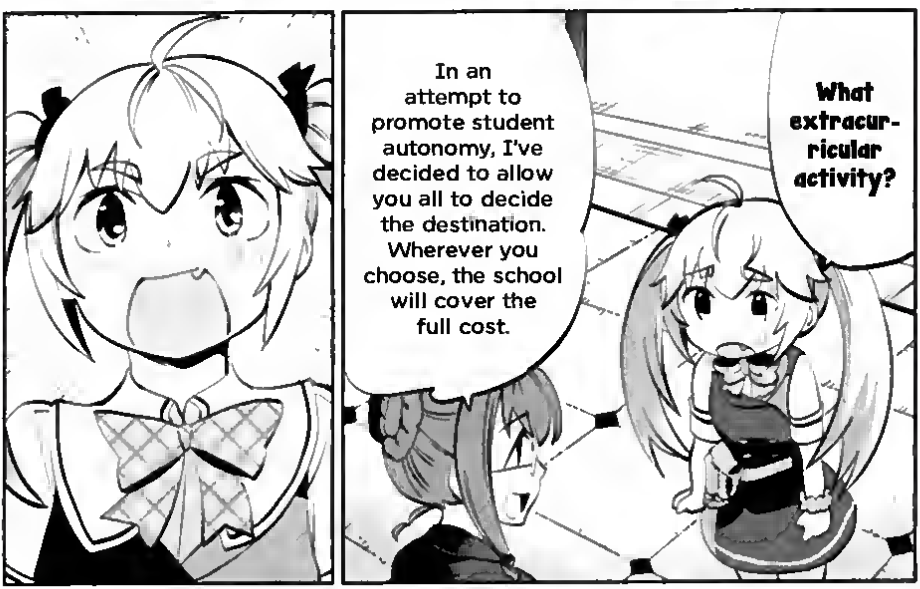
Being deprived of all that precious alone time would be a considerable loss.
Yes.
Cancelling summer vacation would be pretty harsh...



In an attempt to promote student autonomy, I've decided to allow you all to decide the destination. Wherever you choose, the school will cover the full cost.
What extracurricular activity?

Go ahead and knock yourselves out. I'd prefer to do some peaceful sketching by the riverbed, anyway.
Okay then, how 'bout the promised land of street racing, Mount Akagi!
What does street racing have to do with anything!?
In that case, the beach! I wanna go to the beach!
Yeah! Not that I would ever grace you with my presence at the beach or anything!

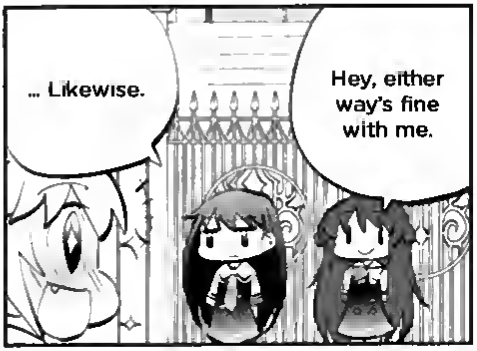
SFX: TSUN

I'M NOT EVEN A TSUNDERE!
Ah!
Don't tell me, she's the Tsundere Queen around here!?

but as your official sponsor for this trip, I have a proposal.
Umm... This might be a bit intrusive of me,

In the hopes of letting the trip serve a dual purpose as Matsushima-san's welcoming party, perhaps we should defer to her wishes, and go with her suggestion of the beach?

Well, in that case, I guess I might grace you with my presence after all!



... Likewise.
Hey, either way's fine with me.

On The Day of Departure...

Uwaah!
My luxurious cabriolet has arrived!
Thanks for waiting!
I've secured our ride for the day!
...Wait.
This is just a boring old mini-truck!
Like I would know...
They're pretty dang fast♪
Even if I ratchet my expectations down about 10 levels and accept a mini-truck, this thing doesn't even have enough seats!
It's not like I don't understand where you're comin' from, but if you judge things just based on appearances, you might end up paying the price in the end.
Didn't you know? These little Sambars are the Porsches of farm roads!

Ah, yeah. Sorry, but, could one of you guys ride in the back?
We'll need someone to keep an eye on the luggage, anyway.

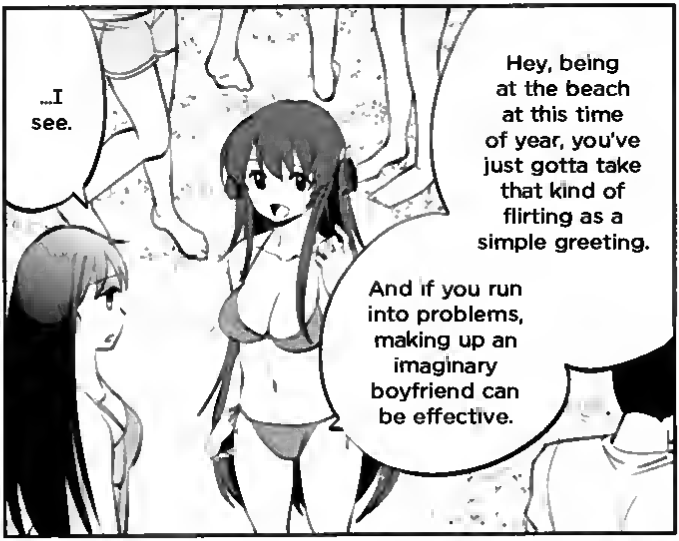
...I can't take any more ...

It's the beach!
As two young women alone at the beach, I suppose we'll get lots of guys hitting on us...

Leaving that aside...



...I see.
Hey, being at the beach at this time of year, you've just gotta take that kind of flirting as a simple greeting.
And if you run into problems, making up an imaginary boyfriend can be effective.

Why is nobody trying to flirt with me!?
WHY!?
Perhaps out of a sense of pity...
Hey! What the hell's that supposed to mean!? There's gotta be a limit to how rude you can be!!
Okay, well... Good luck with all that!
